Discover unique areas of Detroit with a local expert leading the way!

Dress for the weather and wear comfortable shoes to explore the hidden treasures in the heart of Detroit. This is a travel experience not to miss!

Begin the day at **Eastern Market**, the largest outdoor farmer's market in the nation founded in 1841, with over 225 market vendors. Explore the market on your own, and find items that are Michigan made throughout 6 Sheds and neighboring stores. Be sure to admire the **Murals in the Market** (over 125!) which have transformed the district into a must-see destination.

Following **lunch at a popular Detroit restaurant**, explore the city by bus and on foot as our tour guide highlights eye-catching art installations and creative projects across the city. Discover the **Heidelberg Project**, debate-sparking sculptures like **Homeless Jesus**, the beauty of the **Old Wayne County Building**, **Cullen Plaza** along the Detroit International Riverfront, Midtown's **City Sculpture** art park, the **African Bead Museum**, and the stunning new **portrait of Stevie Wonder**. Must-see stops include **Parkers Alley**, teeming with history and featuring some of downtown Detroit's newest retail offerings, and **The Belt**, named for its physical orientation in the former garment district and now a culturally redefined pedestrian-friendly art alley. Enjoy leisurely strolls through Parkers Alley and The Belt with free time to find new treasures and view dynamic murals and art installations by local, national and international artists.
