This tour is authentic Amish, where the food is homemade and the pace of life is easy going! Start your day at **The Farm at Walnut Creek**, a real working farm. Relax and enjoy the **horse drawn wagon ride**, get up close and in person while you **feed many different exotic animals**, and take time to **tour the barns and houses** on the premises. Lunch is included at the **Amish Door Village**, one of the most famous places in Amish Country. You will also have plenty of time to shop in the bulk food markets, bakery, and gift shops! Make a stop at **J.M. Smucker's Company**, in Orrville, Ohio. Visit the outlet store that features all of your favorite jelly and jams plus so much more! Enjoy the beautiful strawberry chandelier built with 1,534 jelly jars. Next, visit **P. Graham Dunn**, a company that creates and produces a wide selection of high quality wood décor and gifts. Last but not least, make a stop at **Lehman's Hardware**, a 35,000 square foot retail store to find thousands of products you thought they stopped making years ago. (L)
